
The Hammond – Boarding – Mission Statement

Every Child Matters:

- Be Healthy
- Stay Safe
- Enjoy and Achieve
- Make a Positive Contribution
- Achieve Economic Wellbeing.

October 2016

Helping Every Child to Achieve More

The Hammond Boarding Community exists to enable boarders to have a home from home experience, while following academic and vocational training of the highest quality in Dance, Drama and Music.

Boarders are nurtured to develop their individual talents and personalities. Staff and students live together with respect, understanding, friendship and acceptance which develops self-knowledge, self-esteem and self- confidence.
