## Every Child Matters:

- Be Healthy
- Stay Safe
- Enjoy and Achieve
- Make a Positive Contribution
- Achieve Economic Wellbeing.

*Helping Every Child to Achieve More*

This has been drawn up after discussion between staff and students at The Hammond.

## **We Value:-**

### **1. Caring Community**

We have respect for the individual, for every member of school, visitors, family and the wider community.

We try to understand each others needs and to help each other (in a cheerful way).

We aim to treat others as we wish to be treated.

### **2. Hard Work**

We all realise the need to be prepared to work hard to achieve our aims, not to distract or waste time and to ask for and be given guidance when needed.

### **3. Respect for Property**

We take a pride in our school and treat it with respect. We will not borrow other people's belongings without asking, and will always return them.

### **4. Honesty**

We understand the need to be honest in all our activities; to tell the truth even when it is difficult. We understand the importance of talking openly with teachers.

### **5. Responsibility- personal and shared**

To the whole community, to foster good relationships within school, and in the community at large and to ourselves to develop self-discipline. We will take responsibility for our own possessions and not leave them lying around and for our own work - handing it in on time.

**We support the following-** truth, honesty, keeping promises, consideration towards others, punctuality, good manners, tidiness and smartness, observing safety rules, tolerance.

**We reject the following-** bullying, cheating, deceit, cruelty, irresponsibility, dishonesty, invasion of others rights and privacy, stealing (taking without permission).
