This should last no longer than five minutes of the candidate in a classical ballet class (or other dance form-not tap), in practice dress. The DVD should then be forwarded to The Hammond, together with the completed application form, photographs and audition fee.
- The required stretches must also be shown and can be found on the website under 'Overseas Candidates'. The full itinerary of required pieces for the DVD can also be found on the website. - **IMPORTANT – Overseas students must have a guardian in this country** – please supply their name and address when you return your application form.

A parent/guardian/teacher of a candidate must inform The Hammond of any special arrangements needed prior to audition either on the application form or by letter.

There is an audition fee of £30.00 plus an additional charge of £15.00 for a physical examination by the School's Physiotherapist on the day. **Total fee payable £45.00.** Please allow 7 working days after the audition before receiving the result of the audition in writing.

Candidates With Disabilities

The Hammond has an equal opportunities and disability policy which is designed to enable access to the curriculum regardless of sex, sexual orientation, marital status, religion, socio-economic background, colour, race, nationality, ethnic origin, sensory or physical disability.

Dance is a precise physical art concerned with shape, line, co-ordination, musical and performance qualities. It is within these parameters that The Hammond welcomes candidates with disabilities to audition for a place in either the Lower School or Professional Courses (16+). It is recognised that some candidates with a disability who are entered for audition may need extra time or support to enable them to perform to the best of their ability and, if possible, The Hammond will make the appropriate arrangements. It is, however, emphasised that all candidates will be assessed against the same criteria.
